The Department of Management at Indira Gandhi Delhi Technical University for Women held a captivating webinar titled "Alumni Success Stories" on January 30th, 2024 featuring Ms. Romika Dhingra, a research assistant at the Indian Institute of Management Ahmedabad. The session was moderated by Dr. Ankush Goyal.

Ms. Dhingra captivated the audience with her engaging stories from IGDTUW to IIM Ahmedabad. She recounted her "adventures" and the unconventional path she took, demonstrating the diverse possibilities within the academic and professional landscapes.

Beyond sharing her personal journey, Ms. Dhingra generously offered in-depth knowledge about research opportunities at IIM Ahmedabad. This valuable information provided students with a clearer understanding of potential career paths and how to navigate them successfully.

**The key takeaways of webinar:**

Throughout the webinar, Ms. Dhingra emphasized several key points for personal and professional success. These included:

- **Technical Skills:** Mastering essential tools like Excel, SaaS, R and Python was highlighted as crucial for navigating various challenges in today's dynamic environment.
- **Self-Confidence & Proactive Approach:** Ms. Dhingra stressed the importance of building self-confidence, actively exploring new opportunities, and embracing adaptability.
- **Future Clarity & Goal Setting:** Setting clear goals for the future and taking small, consistent steps towards achieving them were highlighted as important aspects of success.
- **Dedication & Persistence:** Ms. Dhingra encouraged participants to study hard, work persistently, and step outside their comfort zones for personal growth.

- **Fellowship Opportunities:** Exploring fellowship opportunities was presented as a valuable avenue for further academic and professional development.
